LCGB Valuation Request

Dear Owner,

By completing and signing the following Valuation Report, you confirm that the details supplied are accurate and true and are a fair representation of the vehicle details provided. A copy of this document will be returned to you, which in turn, you must send to your Insurers. A copy is kept on file by the LCGB should it be required for any insurance enquiry. Because the valuation for any vehicle is open to fluctuation for a variety of reasons, this Valuation Report is valid only for a period of 12 months from the date the valuation is issued.

Please be aware that the details requested for valuations MUST be completed in FULL. If any details cannot be supplied, it is your responsibility to explain why or give alternative information to assist in the process. Any failure to supply requested details will result in your request being returned and therefor delayed. Where you are requesting consideration of any modification that significantly increases the value of the vehicle, photographs to support your request must be provided.

You should also provide documentary evidence from any third party if you wish your valuation to include work carried out on your vehicle or accessories that you wish to be considered. In some cases, we will accept your own estimate of valuation on accessories without purchase receipts as long as they are fitted to the vehicle and clear photographs are provided to demonstrate this. We will not provide a valuation on parts or accessories simply because they are rare on your behalf.

If you wish to have tuning work or custom work of any kind considered in your valuation, a receipt or signed declaration from the person/s who carried out the work should be provided. If this is not possible, you should list the work as practicable and declare your own estimate, which you will sign for yourself. Acceptance of the valuation remains at the discretion of the Insurer and this valuation in no way guarantees the valuation given by the LCGB will be accepted in all cases.

Michael Greensmith - LCGB Valuations

Cost of Valuation:

£10 for LCGB Members

£20 for None LCGB Members and overseas LCGB Members

Payment can be made via cheque, made payable to L.C.G.B or by Paypal (See web site for details)

If you are paying by Paypal, please be sure to add the registration number of the vehicle in the note to recipient.

Valuations will not be provided until any payment has cleared.

NOTE: On completion, please forward the Valuation Requests, completed in full along with your payment to the address provided above. DO NOT SEND REGISTERED POST, as this will delay your application because documents will have to be collected from the Post Office.
